### **Important Dates and Application Guidelines**

- The priority application and \$250 deposit deadline is 25 January 2018. Applications will be accepted after that date on a space available basis.
- Students will be asked to submit a course choice and at least one alternate course choice. We will make every effort to accommodate students' first choices. Priority will be based on deposit date. In the event of oversubscription in a course, students will be accommodated in one of their alternative choices, if and as available. Courses with insufficient enrollment, however, may be canceled. In the event of a cancellation, students will be accommodated in one of their alternative choices, if and as available. Students who list no alternatives risk losing a summer placement at Harlaxton. Deposits will be refunded if a course is cancelled and placement in an alternative course is not possible or if overall enrollments exceed Harlaxton's summer capacity
- Deposits are refundable only if course does not meet minimum enrolment. (ID H280 does not have an enrolment minimum; all other courses require a minimum of eight enrolled students. Confirmation of course status will be made in February 2017)
- Minimum GPA requirements: 2.00 cumulative and 2.00 in the semester prior to departure.
- Students must enroll in a minimum of three semester hours; maximum load is six semester hours; no pass/fail option is offered. Tuition is charged by the credit hour.
