

### **Summer 2020- Add an Internship to your 5-week summer program!**

Students participating in the summer 2020 5-week program have an exciting option! For an additional \$2500 students can complete a three-hour internship while living at the Manor. We will offer the students personalized attention in creating their placement and helping with questions throughout the process.

- Additional expenses for students are the Tier 4 visa costs and any transportation costs associated with the internship.
- The dates for the internship are July 2- August 1<sup>st</sup> for those attending the Italy trip. For those not attending the Italy trip, the dates are June 29<sup>th</sup>- August 1<sup>st</sup>.
- During this time, room and board at the Manor are included in the fee as well as the three-credit hour course.

Students wishing to complete this internship in the summer will need to complete the summer internship application in addition to the 5-week application. Once completed, our internship team in the UK will reach out to help with your placement.
